Action Taken Report
Academic Year-2022-2023

Following the comprehensive analysis of the student feedback report several actionable insights have been identified to address the concerns raised and improve the overall educational experience for students. Key actions taken include:

- **Teaching Mode Enhancement:** A committee has been constituted to explore the feasibility of incorporating a blended learning approach, combining offline and online teaching methods to cater to diverse students' preferences.
- **Faculty Development Programs:** Faculty members are encouraged to undergo training workshops to enhance their proficiency in delivering effective lectures and utilizing digital resources.
- **Language of Instruction:** Efforts are underway to vary the mediums of instruction to accommodate the linguistic preferences of students with an emphasis on improving English language proficiency among faculty and students.
- **Internal Evaluation reform:** A review committee has been established to assess the fairness and transparency of the internal evaluation process and implement necessary reforms to address student concerns. Guidelines will be provided to faculty members to standardize evaluation criteria and ensure unbiased assessment practices in the college.
- **Enhanced Mentorship initiatives:** Mentoring guidelines will be provided to equip mentors with effective communication and counseling skills to better support student's academic and personal development. The regular feedback mechanism is being introduced to evaluate the effectiveness of mentorship programs and make necessary improvements.
- **Syllabus Coverage:** Measures are being enhanced to streamline course content delivery and enhance syllabus coverage to meet the learning needs and expectations of students.
- **Curriculum Enhancement:** A review committee has been formed to understand the needs of students and study the requirement of introducing skill enhancement courses as Add-on Courses and ensure that they are comprehensive and aligned with industry requirements.
- **Quality Assurance Measures:** The quality assurance framework is being strengthened to monitor and evaluate the quality of education continually
- **Feedback System:** Feedback mechanisms are being enhanced to solicit regular input from students and other stakeholders to identify areas for improvement and implement corrective measures.
